Publications:

PLANT BREEDING ABSTRACTS

Issued quarterly. One volume (4 numbers and annual indexes) per calendar year.

Annual Subscription:

Rate to subscribers in Non-Contributing Countries £35.00 ($91.00),
Rate to subscribers in Contributing Countries £14 per volume (including indexes).

One-Sided Copies.—Copies of *Plant Breeding Abstracts* printed one side only are available at an additional cost of £2·00 ($5·20)

Back Numbers.—Volume 1–40 of *Plant Breeding Abstracts* are now available at the price of £21.00 ($55.00) per volume and 41 at the price of £35.00 ($91.00) per volume including index.

Important Note.—Every effort is made to make *Plant Breeding Abstracts* as complete as possible and its notices of papers referring to plant breeding or the genetics of crop plants as prompt as possible. To aid in this, authors are invited to send to the Director copies of their papers immediately on publication.

CAB JOURNALS

ANNUAL SUBSCRIPTION RATES, 1972

The journals published by the Commonwealth Agricultural Bureaux provide a total of well over 100,000 abstracts and citations by title each year, and constitute the only comprehensive coverage in English of the world literature on agriculture and related sciences. They are available at prices well below the cost of production (except Food Science and Technology Abstracts) because CAB is heavily subsidised by Contributing Countries.*
